Invitation

Dear Colleagues,

It gives me great pleasure in welcoming you all to attend the Pune Knee Course 2012 that we are holding on April 28 & 29, 2012, at the Pride Hotel in Pune.

It was the overwhelming response that we saw to the last year's Knee Course that motivated us to plan for this year. We are planning to make this an ongoing activity and look forward to your continuing support.

The Knee Arthroscopy as an art and science is very dynamic and ever changing. It therefore, becomes very important to keep ones knowledge updated and this course targets at just that! We plan to have more than 10 live surgical demonstrations, which will cover all aspects of the Knee Arthroscopy and add tremendous value to this exercise.

We are fortunate to have Dr. Andrew Williams from UK and Prof. Pascal Christel from France joining us as our international faculty. Apart from them, we shall also have an eminent national faculty gracing this course.

Due to logistical reasons, we will have to restrict the registrations at 120. Please mark the dates in your calendar and rush your registrations to avoid disappointment.

I look forward to see you at Pune!.
