

14th Annual Conference

ASIA PACIFIC ARTHROPLASTY SOCIETY

August 23-25, 2012

Renaissance Mumbai Convention Centre Hotel, Powai, Mumbai, India

Welcome Message

Dear Colleague,

It is again time for India to host the eagerly-awaited annual conference of the Asia Pacific Arthroplasty Society. This time we will be convening it at the idyllic lakeside Renaissance Mumbai Convention Centre Hotel, Powai, Mumbai from Thursday 23 to Saturday 25 August 2012.

This conference is unique in that it will exclusively focus on all current issues in Knee Replacement alone and cover in great detail every step of primary and revision surgery, alternatives to Arthroplasty, and emerging trends for the future over 3 days! The aim will be not only to provide a firm foundation for those with a desire to begin performing knee replacements, but also enhance knowledge and skills of those already experienced in the field. As the icing on the cake, we will also tackle the field of revisions which is already becoming an important procedure to master. As usual, we will offer upcoming Asian surgeons the unique opportunity to share the stage with stalwarts from around the world by presenting their work for which we invite submission of abstracts. These should be based on topics mentioned in the 'Scientific Highlights', not exceed 200 words, and be emailed to abstracts@apas2012.com before July 15, 2012.

In contrast to the unending 6-8 minute talks which form the basis of most conferences, we will have engaging and interactive sessions of one hour each covering in depth all the important issues, some of which are listed in the 'Scientific Highlights'. These will be in the form of didactic presentations, video tutorials, crossfire debates, panel discussions, interviews, case presentations to stump the professor, keynote lectures & workshops, and we will ensure ample interaction time with the audience.

As in the past, we will call upon a remarkable team of renowned Faculty - the finest and best speakers, designer surgeons, engineers and experts - from India and abroad to share their vast knowledge and experience.

We hope you will join us in this outstanding academic endeavour and register at the earliest using the special rates listed below. We look forward to your company!

Dr. Arun Mullaji
President, APAS

Dr. Sanjay Agarwala
Scientific Chairman

Dr. Parag Sancheti
Organising Chairman

Scientific Highlights

- Preoperative assessment
